

American Lincoln Part

American Lincoln Parts - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the business they are recognized within the industry as providing durable and strong machinery that meets all the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company who is currently likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These scrubbers are available in the market under the trade mark name "Encore". American Lincoln can supply machinery, components and warranty service for these scrubbers which have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where efficiency and results matter. Lately, this floor scrubber model has been used by the architects in different construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location due to the model's utmost performance level and high standard of quality for polishing concrete.
