Advance-Nilfisk Parts - Imagine how tedious it will be to tidy up your home after throwing a large party, with no assistance from cleaning equipment. In the past, the time upholstery and carpets had the dirt beat out of them by hand; brooms, cleaning cloths and brushes were the leading cleaning materials of that time.

The man who established Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After starting his business during the year 1906, he started to make motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's vision from the beginning was to have a global company selling merchandise worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that can be operated by a single individual since it just weighed 17.5 kilos! This invention came in a time where many cleaning equipment were very big and required 4 or more operators, therefore, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide an excellent solution to an ongoing crisis; things get filthy and have to be cleaned frequently, without a lot of effort.

Slowly but steadily, Nilfisk-Advance expanded through the years. During the nineteen eighties, this development actually occurred when the business became a part of the NKT Group. Their new owners' determination and focus made Nilfisk-Advance take a huge leap forward within the trade, aspiring to be amongst the leading international players in the market of professional cleaning machines. Nilfisk-Advance is now found in all parts of the globe by gradually acquiring many smaller companies in order to develop their product portfolio and presence in new markets. They are really proud to offer a variety of cleaning solutions to fit each requirement.
