

## Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They enjoy providing items which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of staff enjoys new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs along with their comprehension of cleaning applications, together with owners' strong desire to dramatically lower expense through productivity gains.

The staffs at TREK and their dealer-partners are really committed to having both parts and technical support available when it is required. Their high service devotion is among the core values in their customer service. Keeping their customers' cleaning machinery ready and working on a daily basis is top priority. The company's top of the line technology delivers reliable machinery that ultimately lowers your cleaning expense. The service, the product and the price all work as one in order to make them the leader in the trade.
